

Virtual Care and COVID-19 Treatment Cost-Share Update

As COVID-19 vaccination rates rise and the public health emergency declarations end, there are changes to many of the emergency coverage and costs put into place. MVP Health Care® (MVP) is following guidance put forth by state and federal regulatory bodies and providing coverage accordingly. Below, please see updates to our policies related to Member cost-share for telehealth and COVID-19 treatment. Visit mvphealthcare.com/providers/covid19 for additional COVID-19 coding guidance.

NEW YORK

Telehealth

- Effective June 1, 2022, MVP will no longer waive the cost-share for audio/visual and audio-only visits for Medicare Advantage Members. These Members will be charged a cost-share for audio/visual and audio-only visits according to their plan details.

COVID-19 Treatment

- Effective June 1, 2022, MVP will no longer waive the cost-share for COVID-19 treatment for Medicare Advantage Members.

VERMONT

Telehealth

- Effective June 1, 2022, MVP will no longer waive the cost-share for audio/visual and audio-only visits for Medicare Advantage Members. These Members will be charged a cost-share for audio/visual and audio-only visits according to their plan details.

COVID-19 Treatment

- Effective June 1, 2022, MVP will no longer waive the cost-share for COVID-19 treatment for Medicare Advantage Members.
- MVP will continue to cover COVID-19 treatment in full for Members in Commercial plans until March 31, 2023.

COVID-19 TESTING & VACCINES

- MVP will continue to cover COVID-19 testing in full when medically necessary for Members in New York and Vermont.
- MVP will continue to cover COVID-19 vaccines in full for Members in New York and Vermont.
