

BiPAP and CPAP Prior Authorization Updates

MVP Health Care® (MVP) is updating the **Obstructive Sleep Apnea: Devices** medical policy and the **Durable Medical Equipment (DME) Prior Authorization list** to reflect that BiPAP and CPAP will no longer require prior authorization effective September 1, 2022.

The following HCPC Codes will no longer require prior authorization and will be deleted from the DME Prior Authorization list as of September 1, 2022:

- **E0470**
- **E0471**
- **E0472**
- **E0562**
- **E0601**

To view the new Durable Medical Equipment procedure codes, and Utilization Management Prior Authorization list for September 1, 2022, *Sign In* at mvphealthcare.com/providers and select *Online Resources*, then select *MVP Durable Medical Equipment September 1, 2022*.

MVP encourages you to look at all revisions and updates on a regular basis in the *Benefit Interpretation Manual* (BIM). To access the BIM, *Sign In* at mvphealthcare.com/providers and select *Online Resources*, then select *BIM* under *Policies*. The Current Updates page of the BIM lists all medical policy updates. If you have questions regarding the medical policies or wish to obtain a paper copy, contact your MVP Professional Relations representative.
