

## **Important Updates for Licensed Mental Health Counselor and Licensed Marriage and Family Therapist Services Enrollment with NYS Medicaid Programs Required**

To keep our valued care delivery partners up to date, MVP Health Care® (MVP) is notifying you that effective April 1, 2023, NYS DOH is allowing care and services provided by Licensed Mental Health Counselors (LMHCs) and Licensed Marriage and Family Therapists (LMFTs) in private practice settings under the Medicaid Managed Care (MMC) program. These health care professionals must enroll in the NYS Medicaid Program and register with the Medicaid Management Information System (MMIS) to be eligible for reimbursement for services provided to MVP Government Programs (MMC, Child Health Plus, and HARP) Members.

LMHCs and LMFTs who do not have an MMIS number before the deadline will be ineligible to participate in MVP's Government Programs lines of business.

To avoid billing and service interruptions, please visit **[emedny.org/info/ProviderEnrollment/index.aspx](https://emedny.org/info/ProviderEnrollment/index.aspx)** for instructions on how to submit an enrollment application to eMedNY.
