

Annual Review of Clinical Criteria

InterQual[®] criteria, published by McKesson[®] Health Solutions, is used in many of the MVP Health Care[®] (MVP) medical review processes to support the medical necessity of health care services. The annual changes to the criteria are published for health care practitioners to review prior to implementation. MVP has posted a copy of the InterQual criteria changes on our website. For access, go to **mvphealthcare.com**, *Sign In* to your account, then select *Medical Policies* under *Resources*. Select the *InterQual 2020 Clinical Revisions* at the bottom of the page to view changes.

The criteria will be available for Participating Providers to review for 15 days. If after your review you have questions about these changes, you may speak to an MVP Medical Director by calling **585-327-2316**. The effective date of the criteria change will be communicated in a subsequent FastFax following the comment period.
