

Children's Uniform Clinical Network Provider Training

NYS in partnership with the *Children's Uniform Clinical Network Provider Training* (UCNPT) team which consists of the *Managed Care Technical Assistance Center* (MCTAC) and the *Community Technical Assistance Center* (CTAC) at the McSilver Institute, the *Center for Practice Innovations*, and *Center on Addiction* have developed a series of trainings available to Children's Service Providers.

UCNPT is designed to help prepare behavioral health providers who are part of Medicaid Managed Care Plan (MMCPs) networks to meet the behavioral health needs of the children, adolescents, young adults, and families they serve. Participating Providers serving children/youth aged birth to 21 years and offering the following services in NYS are encouraged to complete the available trainings:

- Outpatient Child-Serving Clinics
- Children and Family Treatment and Support Services (CFTSS)
- Children's Home and Community-Based Services (HCBS)
- Voluntary Foster Care Agencies (VFCA)

Training will be available on the *Center for Practice Innovations Learning Management System* (CPI LMS) and require agency registration.

For information on how to register and access the UCNPT resources, visit **mvphealthcare.com/providers/education**. Under *Clinical Education* click *Support for Children and Adults* then select *Children's Uniform Clinical Network Provider Training*.
