

Prior Authorization Change for Tufts Health Plan Members

Tufts Health Plan members access the MVP Health Care® (MVP) Participating Provider network through MVP's agreement with Cigna. Members of these plans have the Cigna and Tufts logos on their member ID card and will typically have the MVP logo on their cards as well.

As of November 1, 2021, Providers requesting prior authorization regarding **Sleep Studies** for these members will need to contact eviCore Healthcare at **800-298-4806**.

This change does not impact MVP Members.
