Changes to Billing and Payment of Evaluation and Management for Preventive and Sick Visits

To keep our valued care delivery partners up to date, MVP Health Care® (MVP) is sharing billing and payment changes within the MVP Evaluation and Management (E&M) policy.

Effective May 1, 2023, MVP will reimburse sick E&M codes at 50% of the allowable amount when billed on the same date-of-service of a preventive E&M by the same provider in accordance with industry standards.

The 50% reduction to sick E&M codes for the overlapping practice expense component will be applied regardless of the presence of a 25 modifier.

We thank you in advance for your cooperation and appreciate your efforts to support our Members.
