Gaps In Care Webinar to be Offered in September

MVP Health Care® (MVP) appreciates our shared collaboration to provide quality care to our Members, your patients.

In support of this, the MVP HEDIS Operations Team will host a webinar this September for Providers to have an opportunity for a Q&A session related to gaps in care submission and best practices. The gaps in care submission process is when a Provider submits medical record documentation to MVP to close gaps in care identified in MVP reporting.

We have created a survey to determine the best date and times for the webinar, in addition to any specific questions and topics you would like to discuss during this time.

If you are interested in attending, please complete the survey at mvphealthcare.com/WebinarSurvey by August 11, 2023.
