Important Updates for Article 29-I VFCA Health Facilities

To keep our valued care delivery partners up to date, MVP Health Care® (MVP) is reminding our Article 29-I VFCA Health Facilities that Medical Nutrition Therapy (MNT) was added to their Other Limited Health Related Services Fee Schedule. Following the NYS Department of Health memo dated June 26, 2023, MVP is notifying our Participating Article 29-I VFCA Facilities that claims for MNT services for dates of service July 1, 2022 and after may now be submitted. MNT Services must be provided and billed in accordance with the New York State updates for 29-I VFCA Health Facilities.

Billing for 29-I Nutritional Services must follow the guidance outlined in the Article 29-I Health Facility Billing Manual, which can be found at [health.ny.gov](https://www.health.ny.gov). Claims for 29-I MNT services provided before July 1, 2022 are ineligible for payment.
