Precision Genetic Testing Management Policies Effective January 1, 2026

On October 2, 2025, MVP Health Care® (MVP) informed Providers that starting January 1, 2026, MVP will expand its partnership with Avalon to provide laboratory benefit management services focused on precision genetic testing (PGTM).

The PGTM program is designed to enhance access to laboratory care, support Providers in interpreting MVP genetic testing policies and reimbursement guidelines, and streamline the health care experience for patients.

Policies effective January 1, 2026, are available for review. Please visit **mvphealthcare.com/policies** and select the *Precision Genetic Testing Management Policies Effective January 1, 2026*, at the top of the page.

These policies can be viewed 60 days before their effective date. Comments may be sent to **mvppr@mvphealthcare.com** by January 1, 2026.

As a reminder, additional information can be found by visiting **mvphealthcare.com/providers/education** and selecting *Clinical Education Resources*, then select the materials under *Precision Genetic Testing Management (PGTM)*.

If you have questions, please contact your MVP Provider Relations Representative or your Provider Partnership Liaison.
