¹Reflective Silver plans are available only from MVP Health Care.

²This plan features an aggregate deductible and OOPM. Each member on a family plan will pay toward the family OOPM. No individual will pay more than the government mandated OOPM of \$9,200. The term **embedded** is used in Vermont Health Connect (VHC) materials to define this deductible and OOPM structure.

OOPM: Out-of-pocket maximum **HDHP:** High-Deductible Health Plan

Aggregate (AGG): All members of a family plan contribute toward the family deductible and OOPM until it is met.

Embedded (EMB): Each member pays toward, but never exceeds, their individual deductible and/or OOPM until the larger family deductible and/or OOPM is met, after which, the plan makes payments for all members on the contract. The term "Stacked" is used on VHC materials to define this deductible and/or OOPM structure.
