24/7 Access to Care, Plan Details, and Savings

The *Gia*® by MVP mobile app can help reduce the overall cost of care and decrease employee absenteeism by giving your employees access to important care and plan information whenever and wherever they need it.

24/7 Virtual Primary Care

MVP has partnered with Galileo to offer same-day \$0 virtual primary and multispecialty care with doctors via text or video chat through the *Gia* by MVP mobile app—no appointments necessary.*

Well-Being Support

\$600 Well-Being Reimbursement

Your employees can get reimbursed up to \$600, per contract, per calendar year, for well-being services, items, and activities.**

Free Meal Delivery

Getting the right nutrition is essential to achieving and maintaining good health, which is why we've partnered with Mom's Meals®. They have been delivering refrigerated, ready-to-heat-and-eat meals to homes nationwide for over 20 years. Crafted by chefs and registered dietitians, meals are medically-tailored to support most major chronic conditions and overall wellness.
