Block 2:

ePayment Center

ePayment Center offers a no-cost enrollment for EFT/ERA transactions from **MVP** and access to remittance data and payment history via the **MVP** ePayment Center Portal. Each TIN will need to enroll in its own ePayment Center **mvp.epayment.center**.

ePayment Center offers:

- Payments from **MVP** via ACH direct to your bank account.
- A secure portal to access and export **MVP** remittance data, including 835 format

To enroll:

- Visit **mvp.epayment.center** and obtain a registration code
- After registration is reviewed and confirmed, you will receive an email from **help@epayment.center** with a registration link
- Click the link in the email, complete the registration process, and set up your account

After registration:

- Sign in to **mvp.epayment.center** using the username created during account set up
- Enter bank account information
- Select remittance data delivery options
- Review and accept ACH agreement and click "Submit"

After the registration and enrollment process, Your bank account will undergo a pre-note verification to validate the account prior to beginning EFT/ACH Transactions. This may take up to 6 business days to complete.

Common FAQs:

We're currently enrolled with Zelis Payments for our medical claim payments. Do we need to re-enroll with Zelis for our MVP claim payments?

No. Because you're already enrolled with Zelis Payments, you'll also receive electronic payments and statements from **MVP** through your preferred Zelis Payments method. No further action is required on your part.

Do we need to switch banks to take advantage of ePayment Center?

No. You can direct electronic claims payments to the bank of your choice.

What do I need to enroll in ePayment Center?

You'll need the following information available before enrolling:

- 9-digit federal tax identification number (TIN) or employer identification number (EIN)
- Corporate name and principal information
- Bank routing transit number (RTN) and your organization's checking account number
